“ *Dear Pint and Amy,*

*You Mom made a giant black and gold afghan when I went off to law school at Mizzou. I mean HUGE. Like California King HUGE. She even laughed and said, " I kind of got started and just didn't stop. I made it big, so you could make friends." She was always so kind to me, and I loved her laugh and wit. She was so proud of you Pint! A big hug to you all.*
