“ My sincere condolences to Allen's family. I went through grades 1-12 with Allen and I remember that he was a very nice person. I lived up the hill on 5th street from Allen. I do remember he and I were always the shortest in our class and we had a contest as to who will walk out first at graduation! I hope your treasured memories will bring you strength and comfort in the coming days and years. Sincerely, Marilyn Lagemann Hardy
