“ I was so sorry to hear of Audrey's passing. She was a great woman who loved to tell anyone that would listen about the history of Lincoln county. I know she will be missed.

Amy you were the light in her eyes and she was always so proud of you and Larry.

My deepest sympathy to both of you.

“ After Audrey retired from her job she was perhaps busier than ever. I was one who

benefited from her retirement. She volunteered one day a week in the elementary library with me for many years. She was always upbeat and fun, but got a lot of things done. We had a good time and it was such a blessing to have her as a friend.

Larry and Amy, you have our sympathy in the loss of a wonderful, kind, loving lady who loved you both immensely.

“ *I only met your mother, grandmother a couple of times while doing family research. As we both descend from the Giles family in Pittsylvania County, VA, I looked her up when I visited Troy. She was an amazing woman, very kind and knowledgeable! Her assistance was invaluable. I know she will be missed not only by family but by a multitude of friends and historians. May the Lord bless and comfort you in your loss. Sue Stice (a distant cousin)*

“ *Audrey came to the doctor's office that I worked in back in 1976-1988. She was always a happy person. And I always liked visiting with her when there was time in between patients. My thoughts and prayers are with the family. As I know you have lost a lovely person.*
