“ So very sorry to all the family for the loss of your sweet, caring mom!! She was so much more than a client to me all those years when I saw her once a week on Friday to do her hair. She was my dear friend too!! I was even doing Grandma Zalabak's hair too, and was there to see how faithfully your mom took care of her mom!! And her love and faithfulness to her husband was incredible!! She was so devoted to all of you and loved you so much!! I truly admired her strength of character and her unwavering resolve to all of you. You were constantly on her mind and in her heart!! I am so sorry I couldn't be at the service!! I will be going to say my goodbyes at her resting place as soon as possible!! Love and prayers to all of you!!

“ I wish I could be there today. Aunt Betty and I worked together at Herleo. She made me a baby blanket for Clint and helped organize a shower at work. I still have the quilt. I will always treasure it. The work at HERLEO was hard physical labor. She stayed right in there with the best of us. We had lots of laughs together. God Bless you dear cousins.
