

## Boynton (Bud) Leonard Nissen

January 23, 1929 - March 29, 2022

Boynton (Bud) Leonard Nissen, 93, of Wright City, Missouri, passed away on Tuesday, March 29, 2022, at his residence in Wright City, Missouri. He was born on January 23, 1929 in Milwaukee, Wisconsin, the son of the late Boynton Peter and Ida Katherine (Thiery) Nissen.

Bud graduated from Bayview Highschool in 1947 and continued his education in Engineering in Gunnison, Colorado. He served his country in the United States Air Force as a drill instructor at Lackland AF Base from January of 1951 until he was honorably discharged in September of 1951. He continued his civilian career and worked as a Sales and Service Engineer with Milwaukee Crane and Service Company, and later owned and operated a hardware store in Park Falls, WI.

Bud was an outdoor enthusiast, he owned and piloted several of his own private aircraft and enjoyed the time he spent at his cabin in Winter, WI. He was also Master Mason and a Shriner. Bud enjoyed sharing his experiences about airplanes, hunting and shipwrecks; he truly loved conversing with people. Bud was very well respected and loved by his children, who in their adult years grew to appreciate Bud's "tough love," which we know is the absolute best love a parent could bestow. Later in Bud's life he enjoyed being active in church and spending time at the Warren County Senior Center.

Bud is survived by two sons and one daughter: Boynton Todd Nissen and wife Denise of Green Bay, WI, Mark Edward Nissen and wife Mary Ulrich of Milwaukee, WI and Lisa (Nissen) Staugaard and husband Bob of Kona, HI; nieces, nephews, cousins and friends. He was preceded in death by his parents, Boynton Peter and Ida Kathryn Nissen and one brother, Jack Nissen.

Services will be held at a later date. Expressions of sympathy may be made to The Family of Boynton Leonard Nissen in care of Kemper-Keim Family Funeral Chapel P.O. Box 222 Troy, MO 63379.

“ *I met Bud at the senior center I am a caregiver to another gentleman there and I would pick up his meal as I was doing so I would run into Bud at times when he was getting out of his truck if not then always in the dining room he would greet me with a smile and a conversation I will miss him dearly*

“ Too many loving memories to count.

*Bud took us under our wing, while I was introduced to the Nissen family. Provided us with not only love, but also everything a child could ever ask for. Not only the cabin, Bass lake as well was his favorite places.*

*He was loved by many. After migrating from Milwaukee and Sleepy Hollow Illinois, I believe his happiness lied at Butternut Lake, Park Falls and his true dedication to the hardware store.*

*Roller coaster rides in the airplane, snow skiing, snowmobiling, water skiing and pontoon rides, come forward as best memories. Not to mention all the times I put his truck in the snow filled snow banks or off the road.*

*Thanks for the memories, and all you did for our family.*

*Rest In Peace ❤️*

“ So sorry to hear of Bud's passing. I work at a florist that Bud would patronize. He would call ahead to pickup 5 roses each wrapped separately for the senior center volunteers where he lunched. I enjoyed our little chats. I will remember him as the quintessential kind , happy gentleman. Rest In Peace.
