“ Bradley was very uplifting each time we got to see him and was dedicated to his family and his country. Our thoughts and prayers are always with the Thompson's immediate and extended family. What an amazing person and what a remarkable life. I feel so lucky that Bradley was part of our extended family. Bradley has made a difference in so many lives through his service to the United States military, to the community and to all of those who knew him. He will never be gone from us he will live on through so many memories that we created together.and with those around us

*Although it's difficult today to see beyond the sorrow,
May the blessings of love be upon you,

“ Bradley was my counterpart at GM when he first transferred to the Wentzville plant. He was ALWAYS kind and had an ear to listen or lend a hand when needed. I am genuinely hurt to know he is gone. My condolences to your family.

My heart breaks for your family. I keep remembering Brad as the little boy across the street. He grew up to be a fine young man. My prayers go out to all his family.
