“ *I'm heartbroken having heard the news of Brenda's passing. Her son, Rob is one of my oldest and best friends. I was over at their home quite often as a kid, and no matter how annoying I may have been, being the wayward soul I was most my life, I was always welcomed back. In recent years Brenda and I were mainly in touch via Facebook, and she never missed an opportunity to compliment me on the growth of my family. To win her approval was very heartwarming for me. She will be missed.*

“ So sorry to hear about this. Glad her and Ross made it to our house for a fish fry recently. Enjoyed our time with her. She will definitely be missed by family and friends. ❤️
