“ *I searched Chip's name on a whim and found this page. It's sad and shocking to find that he passed away so young. He was the nicest guy in our class at Sacred Heart. He and I performed flag duty together there and hung out after school sometimes. I'll always appreciate his kindness to me. My deepest condolences to his family.*

“ I believe this is the young man I knew as "Chip". Last time I saw him, he was in grade school still, I think. His "Grandma" Hazel Gladney had driven us to his mom and dad's in the bus she drove for Lincoln Co. schools (it was icy and the bus had chains!) and he played pool with me most of the evening. I'm sure he grew up to be the same warm, caring person he was as that young man.

“ His grandma lived next door to me when we were little. Always had fun hanging w his best dog Buff. He was the first boy who gave me flowers. We were like 6 & they were wildflowers. He was a sweet guy & a good friend. I'll never forget him

“ I remember walking into the auto parts store where he worked many years ago and offered him some pretty decent cash money for his beautiful red Nova with white racing stripes, but he wouldn't budge! I always loved his brothers Malibu too. You will be greatly missed.

“ I remember his love of souped-up, bad@\$& cars... lol. Sending love and prayers to Conner, Cydney, Chad and all of the other friends and family who knew and loved Chip. ❤️ Gone to soon but never forgotten.
