“ My mother was an inspiring force to be reckoned with, she was the strongest woman I knew with a lot ambition and dedication to her loved ones. Her grandchildren were her life and the source of her greatest joy, and she poured her heart and soul into creating a warm and welcoming home. She spoke her mind, and though her words may have challenged others, they knew her intentions were pure and to not take it personal. Despite our occasional disagreements, I knew that she was my rock, and she knew I loved her. My mom would have went to great lengths to make sure her children and grandchildren were protected and cared for. She was someone you could depend on. We will forever miss her!

Christine was a very beautiful, outgoing,, outspoken funny woman. She left this world too soon but God said it was her time. She is happy with Jesus and is waiting for her family to join her. Rest in peace Christine.
