“ Cody was the "life of the party"! Never a dull moment when he was around! When Cody was overseas him and I started chatting via snap chat. I would be sound asleep, and at 2, 3 am I would get a ding! I just knew it had to be Cody. As we all knww, Cody always had alot to say. This continued even after he was home. Then it went to 12am phone calls that lasted until I told him, time for you to sleep. As tired as I was that day at work, I am thankful I had those long talks with him. You are missed by me and so so many others. Until we meet again, love you and Rip cuz!
