“ *To Daxton, I can't wait to finally meet you. I will not say goodbye but "see you soon." You were the most beautiful baby boy I have ever seen, you looked a lot like your Daddy. I just want to let you know how strong your Mommy and Daddy are right now. Our whole family has been with them every step of the way which seems to help out so much, but don't worry we will take good care of them until God brings them to you. I love you Daxton, SO MUCH. Love your Aunt Chelsea ?*

*To Deveney, I love you so much, more than you know. I still don't understand why this has happened to such a wonderful person. I have always known you to be strong and fierce and to watch you in such pain breaks my heart. There is not much to say to someone when you've never experienced their pain but I know you understand that. Just know I am always going to be 5 minutes away if you ever need me, for ANYTHING. If it be gas station nachos, or a 32Oz Pepsi.. I'm on it. Through all your pain you still amaze me with how strong you are being through all of this, and I envy that. I love you so much and don't you ever forget it!
Love your favorite Sister Chelsea ;)*
