“ *Lisa and my prayers are with all of Dean's family and friends. We were neighbors for over 10 years and spent many great times together; from sitting on our back patio just talking, to going to race trips together, to going to Mizzou football games together. Dean's friendship and times together will be sorely missed. I have so many stories and so many great memories of the times we spent together. Until we meet again.*

“ We met as freshmen at Mizzou in 1982. It was the mutual interest of the St. Louis Blues. Through the years we had many great memories; racquetball court hockey, Fieldhouse for playoff games, watching "one last period of hockey" which became the "Monday Night Miracle", your run as manager of lawyer softball/and your free agents, traveling across the US to watch the Tigers-from Miami to San Diego and deep in the heart of Texas, battling the rain in Austin, surviving the rain to be awarded with rain checks to the clinching Game 5 of the 06 World Series. To loves lost and to loves won. It's been a fun journey, I'm saddened it ended so soon. I will see you on the other side.

“ I met Dean at Mizzou. We lived on Jackson House. He was a fun guy to be around. Recently we met back up on Facebook, where we had many discussions of MU, the Blues, and the Cardinals. Rest in Peace Friend.

“ Dean and I both were in band together. This is so sudden and my sympathy to the entire family and friends of Dean. Dean was so good at playing both the clarinet and oboe. Again, my sympathy. Sincerely, Susie Walz Hardee
