“ *Mama Deb was definitely a force to be reckoned with & will certainly be missed by many. I will forever cherish all the many years of wonderful memories, some of my favorite are from the Halloween parties & setting up the spooky trails & scenes. She has inspired me in so many ways, she was truly a pillar of strength & knowledge! My thoughts & prayers are with the family during this difficult time. I love you guys!*

“ *I will miss my friend so much, I can't believe I won't get to visit or talk to her anymore. She was the best person anyone could be, I was a stranger to her at one time and then my husband worked for them and we became very good friends, visits, parties and just hanging out with them was so great. When we moved back down south we stayed in touch and even visited each other, I sure will miss that. I think I am still in shock, RIP my friend rest easy and ride high. Prayers for Randy and the family.*

“ *My husband, Tim, worked for Randy and Debbie a few years ago. Debbie was always so sweet, welcomed you into her home as if it was your own, and threw the best holiday parties for the company employees and their families. She will be missed. RIP Debbie.*
