“ Thank you for posting on Facebook. We've been trying to find out how to contact Deb when we heard she had moved. It was Debbie being in a wheelchair that motivated us to put in a ramp so she could get in our house and enjoy gatherings on our deck with the Big Bear Amateur Radio Club. Both Deb and Steve regularly monitored the Big Bear repeater and were well known in the area. We were sorry when they moved away but understand they needed to be near family. Ray & Maureen Bush
