“ My sweet niece I am so glad you are suffering no more and walking streets of gold. Celebrating with family that welcomed you home. I spent a lot of time at your home when you were growing up. Loving every minute of being your Aunt! We shared a love of crafting but more importantly a love for our lord! I'll see you again one day! Meet me at the Gate!

“ Dena was a light in our family & a joy to all who met her. I'll miss my funny texting back & forth with her or our random conversations on the phone that would last for hours during the day. Mama D, I'll miss the back and forth pictures of our sewing creations we'd send back or the websites we'd share that showed our favorite places to buy things from (while getting in trouble with our hubbys for buying too much from them 😊). I'll miss soooo much, even our hilarious jokes about our too alike husbands we'd trade. I know your in heaven & without pain but sitting here thinking of you nonstop is so painful for those of us left behind. Wyatt will miss you forever & wishes he had more time with you-so do I. I only had you for 8 years but I know that I'll get you for eternity when I get to heaven one day & I look forward to that day when we reunite. You were a bright star that burnt out too soon, I will continue taking your place cuddling with your buddy to comfort him now that your gone & teach him everything you taught me. I'll love you forever & as long as I'm living, my darling you'll be ❤️❤️❤️❤️
