“ I worked with Dennis and his Brother building decks, fixing them, and power washing. He was a great guy. Always had very positive energy and I was never bored working with him. As a young, skinny guy myself, I would have quit that job ASAP, but Dennis gave me the strength and motivation to keep pushing through to take money home to my family. He taught me a lot and I will never forget him. Fixed up my old Toyota for free.

“ I remember Joann bringing DJ over so he could talk someone else's ear off for awhile! DJ always had a lot to say and he could make anything work. He was always full of good ideas and I enjoyed several games of Chess with him ! There were times that he got on my last nerve, but he was always respectful and helpful! You will be missed young man! I bet you get to play live chess in Heaven!!
