“ *Kelly, Kevin, Nolan, Reagan and family:
I was very sad to hear that your mom/grandma had passed away. I know it has been a tough road for you and I know there is peace in knowing that she no longer suffers. Hold tight to all the great memories you have.
I will be out of town with my parents tomorrow and don't believe I'll make it back in time to visit the funeral home, but I will keep you all in my thoughts and prayers. If you need anything from us, please let us know.

“ Beautiful. That's the only word needed to describe this wonderful lady. She was a beautiful woman on the outside, with a beautiful heart, and a beautiful friend. I'm so glad to have known her and to have been touched by her love and kindness. I'm even more glad that I got to see her last time I was home and show her my wedding dress. It really meant a lot to me and think to her too. My love and thoughts to the Simpson family.

“ I’m saddened by the loss of very dear, life-long friend, but thankful that her health struggles are at an end. My condolences to Jerry, Scott, Lance, Kelly and the rest of her family. Donna will always be “the girl next door” to many of us who were classmates throughout elementary & high school. There will certainly be a significant absence at our next class reunion, but we will all remember her smile.
