“*Doug was one of the most authentic people I have ever met. He wasn't afraid to speak the truth or give you a good ribbing. I was blessed to work with him these past 2 years. He patiently answered my 21 questions when I sought his advice on an issue, and always shared his wisdom and expertise so I could learn. If you needed him, Doug had your back. He was one of the good ones, and he will be missed by many.*”

“ *I will miss Doug and his wonderful customer service. Anytime that I called him for help with our POS system he would walk me through what to do to fix via the phone or he would physically come to our location and fix it. One time he was in the grocery store shopping, took my call, helped me fix the issue with patience. I learned a lot and was confident that what he said was right.*

“ I have worked with Doug for 32 years and I am having a hard time accepting that he is gone. Doug was the hardest working, most loyal person with the biggest heart person I will ever know. He touched so many people and will be missed dearly. Prayers to his family that I know he loved dearly.
