“ Terrance, and family, I am so sorry for the passing of Felicia. She was always so kind to me, always so full of life, the world was a little better with her around. You will all be in my prayers and thoughts, as you learn to navigate life without her in it.

“ I can't believe your gone, but I bet Cassandra talked to God and asked him to bring his angel home. I will always remember the good and bad times we all shared and conquered together. You will be missed so much, but your smile and laugh will always remain. Save a seat for me at The Round table, where I can see all of you and the family together again..Love you my friend, until we meet again.
