“ *Dan, Paul, Hank and families. I have so many wonderful memories of your Mom. Her chicken, her garden, her chocolate pie, her quilts, her farm where the kids could run and play, hiding Easter Eggs, our time together when I was in college and stayed the weekends with her. We would drive around and look for houses for sale that were empty and then we would look in the windows to see how they were decorated. We would climb over scaffolding or barricades to get to the windows...yes we had alot of fun!!! She always had a cold diet coke for me after classes on Sat night. She was a wonderful lady and I'm so grateful to have know her and shared in her life.*
