“ I was devastated to hear of Gary's passing. I was one of the bartenders at Olney Tavern and saw him daily for a few years. I looked forward to him coming in and telling me about his day or his plans for the day. I also helped clean his house and take care of Ladybird when he was sick. I was truly upset when I found out he had passed away. My daughter's and I will really miss him. RIP Gary...watch over us all

“ So sorry to hear about Gary's passing. Was lucky enough to get to see him at the TKE reunion a couple of years ago and catch up. He was a friend and fraternal brother God bless him and the family.

“ We never know when our day will come. Gary and I had just talked a week before he left us. We were roommates in college, fraternity brothers, and good friends. I could always count on him for anything as he did the same with me. He will be missed by many. Remember his, you never miss the water until the well runs dry!
