“ My thoughts and prayers are with all of Greg's family, friends and students. He was a choice person. I have fond fond memories and many smiles when I think of Greg serving as Student Senate President at Allen County Community College. As his advisor, I enjoyed my work with him and was blessed to see him work with others. He had a true gift. The lives he touched, the ripples he started will continue on and on.

“ My thoughts and prayers are with the family and students. Greg was a teacher who not only inspired students, but he also inspired other teachers. He was a master at building relationships with his students so they wanted to learn so he would be proud of them. I am a better teacher today because of the conversations I had with Greg about being a teacher.

“ Mr.Mix he is one of the greatest men I've known and sooo glad I was in school @ the time he came to TBHS to teach and I had the pleasure of having him for a teacher. If you were down or sad coming into his class best believe you would not leave like that.He would make sure of that. The biggest smile on his face lit the whole room up and then those jokes took the cake he was hilarious. I remember there was times I didn't want to get up for school, but then when I thought about Mr.Mix I couldn't wait to get there just to see that smiling face and wait for those jokes that followed. Through all of that he also taught us how to Live,Laugh and Love one another as he did each and everyone of us on his own level. That is what was so unique about him cause he took time to talk to you on your level as a person and not just everyone as a whole.To make a story short and sweet he was AMAZING,SWEET,and like no other!!!! Luv and Miss you Mr.Mix. Baby Wray "Class of 1992"

“ Mix was my history teacher in 97&98. E gave me two college enrollment scholarships and has always been my favorite teacher. I saw him on Thanksgiving 2012 I believe, in the wing of St Joes that my Aunt was in. I didn't have a chance to say much other then hello, and didn't want to pry during that terrible time. I sent a card with the nurses and I hope it reached him, I'm sure with all this support he knew what an impact he was on our lives. Mix, Never to be forgotten.
