“ *Greg was always quick with a smile and a snarky comment that was all but guaranteed to make you laugh. I am proud to be able to call this man my friend. There were so many times I have stayed the night at his house because we were drinking.*

I met Greg a little over a month ago after moving into my new home. One evening at Mustang Sally's, I mentioned that I needed to cook the pork chops I had before they went bad. Greg smiled and said, "Well fry 'em up!" I told him I couldn't find the box with the cooking pans. He said he had one, so I followed him home (which was around the corner from me) and he gave me a frying pan, telling me I could keep it. I was touched by his kindness. His sense of humor was sharp and quick. For the short time I knew Greg, I thought he was a good guy.

I will miss you....I already do.

“ I met Greg and Kim at my first apartment. Later on I moved in with him at his duplex in St Ann. He was always fun. I had no idea who Frank Zappa was until Greg! George Thorogood was always jamming too! 🎸
Prayers and condolences to his family.

“ I've known Greg since elementary school. We grew up on the same street and our dad's worked together. We remained friends throughout adulthood. Greg was a very fun guy. Always laughing, joking and smiling. He loved his family and friends very much. I'm so very sad to hear of his passing. My thoughts and prayers go out to his parents and his son as well as all who loved and knew him. He will be missed. Rest in peace my friend
