“ *I spent a few years getting to know and work with Harold. He'd tell me stories about training my dad when they were younger. Always had a smile, and I mean always! It was a privilege to know such a fair and honest man. God Bless his family, my condolences.*

“ *Harold was my first boss at Bodine. He was great to work with and work for. We always talked whenever we see each other out and about (usually at Walmart). He will be missed.*
