“ *I grew up in Bowling Green and remember my older brothers Scott and Bobby were well acquainted with the Mehler brothers, Mick and Gerald. My sister Rosetta was acquainted with Ruth Ann and I believe Ethel was in my brother David's class. I became acquainted with under-classmate Vicki in high school. I can recall some fun stories of my brothers in their youth hanging around with the Mehler brothers.*

Altho I never knew Mick, my family was fond of the Mehler family and I extend my warmest condolences to the entire family.

My wife and I are very saddened about the loss of "Mick". Mick came to our farm many times to help enter Davis family members, in the Davis family cementary on our farm. He also did a lot of work for us when our home was constructed. We will definetly miss his pleasant personality.
