

Jacqueline "Jackie" Kay Goodman

June 13, 1958 - November 26, 2024

Jacqueline "Jackie" Kay Goodman, 66, of Fort Worth, Texas, passed away on November 26th, 2024, at Kindred Hospital Tarrant County in Arlington, TX. She was born on June 13th, 1958, to Richard and Lora Jeanette (Hutt) Goodman in Sacramento, CA. She was the oldest of 4 siblings: Todd, Linda, and Lisa. Her family moved to Troy, MO in 1975, where she graduated from Troy Buchanan High School in 1976. She also received a degree in Psychology and Art from College of the Ozarks in 1984, where she was President of the Art Guild and was active with College Theater.

After college, Jackie moved to Texas, where she worked as a Case Worker with My Health My Resources of Denton County, and then Tarrant County, for a total of 26 years. She was passionate about her work helping those with special needs.

Jackie was a creative, fun-loving, free spirit. She was a life-long lover of art and photography. Not only this, but she was a wonderful and caring person. She had a big heart and was there for friends and family alike. Jackie enjoyed spending time outdoors in the flower garden. In addition, Jackie loved pulling pranks. No one was safe from her antics, including friends, family, coworkers, and complete strangers. Although Jackie may be gone, her spirit lives on in the lives that she touched. We will miss her very much.

“ *Jackie G so much I could say, Jackie was a joy everyone should have a Jackie she was always in a good mood and had a good joke or story to tell. she often told stories of her family, and we would have a good laugh. Jackie was feisty as well as she was sweet but even then, afterwards, we would laugh. Jackie Goodman will truly be missed she was one of a Kind.*

“ *Such a giagantic heart. She was caretaker of my brother, James Harwell. He was a Downs adult that was good as gold but sometimes stubborn & pouty. Jackie kept him line & always brought the best out in him. He loved her dearly & always tell funny ad entire they had together. I know she will b greatly missed but her big personality & memories she leaves will longer n the hearts of all she touched.*

“ *Sort of gut punched after hearing that Jackie has passed away. Like others, I am fortunate to have had this dynamo of Jackie Goodman come into my life. Jackie genuinely cared so much about her family, her friends, her co-workers, and the individuals that she took in to live with her when there was a need. This is a tough loss. Yet, thinking of the crazy antics and pranks that Jackie instigated, her art installations that were so quirky yet so cool, her adventures in garage saling or sifting through the S of O Clothing Com that led to one-of-a-kind fashion statements, those bird and animal sounds that would come out of her at a moment's notice, has me smiling and laughing, and often laughing hard. No doubt about it—Jackie positively impacted so many of us who know her.*
