“ Nancy and I have know the James Caldwell family for many years, as our kids grew up together. I was reacquainted with Jim after many years at our Veterans Coffee Talk and we once again were welcomed to our fellow brothers and sisters veterans. Jim was always smiling and happy to be with his new found friends. As we were happy and enjoyed all the fellowship shared. That friend ship carried over even after Jim was away during his rehabilitation. We all were sadden to hear of his sudden passing. Our sympathy and condolences are extended to his loving family. As we honor all of our Veterans that served our country. RIP, Brother.
