“ I am sorry I didn't get to meet Jesse, friends with his mom, but he must have gotten a lot of that personally from her. Sounds like I miss out... but from what I have heard he was a very kind, caring, loving young man. friends & family will surely miss him.

“ One of the first times I ever met Jesse, I was out in silex hanging with Andrew and Jordan Wright. Andrew and him were pretty close and we hung out in jesses old truck. We drove around drinking and partying and went to a bonfire. I remember Jesse running through the fire and almost tripped. He always brought a smile to everyone he was around and was a very beautiful spirit.
