We cousins were so close growing up. Life takes us in different directions, however, the memories remain and sadness is felt with news of Judy's passing. God Bless Todd, Adam and the entire Hager family.

“ *To all my Hager cousins, I am so sorry to hear about Judy's passing. I have always stayed in touch with her and loved her to bits!! She was big a life and always fun to be around for sure. She was always so great about staying in touch with mom and dad as well and they loved her dearly too. A light has left us and we will miss her big laugh. She loved all of you and spoke of all of you always when we talked, right down to the littlest ones. Sending you all big hugs and much love. Losing a sibling is an empty hole in our lives. Love you all. Diane and Fritz*

“ Judy was my cousin. I remember she came to our house regularly to visit with my mom and dad. I remember her crazy sense of humor. I haven't seen her in many years. Lots of good memories. You will be missed.
