“ *My heart truly aches with the passing of such a wonderful friend and "extended family" who included me (and mother) in every occasion - our wonderful lunches with Carroll and our many shopping trips with coupons falling out of our purse and racing from one store to another so we could get it all in during an afternoon.*

*I remember you giving me the top I will be wearing at visitation...and I said, "Oh, are you giving me one of your "fat" shirts...and you got so flustered not wanting to hurt my feelings, and said "Oh, no...but it's too big for me!" And we both laughed.*

*My deepest sympathy goes to Gary, Beth, Mike and families; and to brothers Bob and Ron and their families as I know Julie's passing will leave a huge void in their lives. God bless you all during this very sad time.*

*Julie is the kindest, most giving person I know and although I shall miss her terribly, I know she will live a life worthy of God's love and favor - today, tomorrow, and forever.*
