“ *My dear sweet niece. We shared so many memories. I remember putting her on the bus for kindergarten, taking her to get her ears pierced, the many Halloween costumes that I made for her, fixing her hair for school, taking her to swim lessons, looking for those special dresses, and many more not to mention the wonderful smile she always had on her face. My deepest sympathy goes out to her family who she dearly loved. I will miss her so much. Treasure your memories and the time you had with her. May you rest in peace.*
