“ I did not know Kathy very well, however, I know she was an "EXCELLENT MAMA"! know her family meant a lot to her. Her daughter Ashlee is a very good friend of mine and she has been keeping me informed about her Mother's illness. Ashlee, she was a perfect example of a "GREAT MAMA", she taught you so many things, and you have so many memories to cherish. My prayers are with you and you know where I am anytime I can help you. My condolence go to your entire family. Glenda Schoen, Mount Vernon, MO

“ Kathy always had a smile. When she was a waitress she would always smile and make you feel like you were the only person in the place. At the fair she worked hard to help the 4 -H kids and the fair board commicate and get things done. I will truly miss her smile and kind words. My prayers to you all. Hugs.

Know matter what Kathy was facing with her health issues, you would always hear positive thoughts from her, she always had a smile on her face. She always would ask how I was doing, everytime that I talked to her, no matter what she was facing. I will miss her so much. R.I.P Kathy. You will never be forgotten.
