“ Kiernan was always such a happy individual and I always enjoyed his company, as small as it was. He would follow me in the halls, asking me how my day was, and I remember he told me he liked following me because I was interesting. He seemed to enjoy bringing smiles or laughter to others and building their self-confidence. I wish I could've gotten to know him better. I hope that he is in a happy, safe place now. You guys will be in our thoughts and prayers.
