“ I met Kim aka. Momma at Dennys a little over two years ago where I ate breakfast with my elderly mother every Sunday. Kim was very friendly towards me and my mom. My mom thought she was a very wonderful person as she always asked 🤔 she was and what was going on in her life. When my mom passed away in December of 2022.

Kim became an instant angel of comfort to me and would often take a million to sit down at the table and ask how I was holding up. She told me not to worry that she would be my Momma now.

She was a VERY GREAT FRIEND to me and gave me her phone number and told me I could call her if I was ever feeling down.

I just learned of her passing this morning and I am deeply heart broken 💔😭 even though I have only known her for a short while, no one has ever shown me much compassion and love as she did. I will miss her greatly 😭 but will carry her memories with me forever.

My sympathy to her family as they grieve the loss of such an amazing woman. Robert J Gnade.

“ I said a prayer for you today Auntie. You sure knew how to change a bad day to a good one. Many memories flood my heart when I think of you. Uncle Darryl, Kimmy, Stevie, and Jerome may peace and prayers provide you comfort and guidance. God keep her in your arms. The heavens gained a heart of gold and a soul as light as a feather.
