“ I wish I could remember even ONE of the stories my three year old great nephew would tell (to literally anyone) and in great detail, for as long as they would let him go on and on and I missed my little buddy when his daddy and mommy moved and took him way out to Troy. My little buddy grew up to be quite a man. A man much loved by many. My family will only be whole again when we all get to heaven . See you then sweetheart, I love you, Auntie Boo
