“ *Laveda was one of the happiest people I've ever met! Seemed like every time I saw her she had a big smile on her face! She had a way of making everyone around her happy too! A big heart, a big smile and a loving way about her. I will never forget that she gave me my first hair highlight... I was a senior in high school (many years ago). It was so much fun to go to her salon and listen to her talk. What a great lady! She will truly be missed! My thoughts and prayers go out to her family and friends. May our hearts heal in time.*

“ Laveda,

*Remembering the days you'd come for a visit
With Grandma on the porch we all would sit
Sipping coffee or sweet southern tea
We'd laze in the back, life was carefree
Looking through the albums of our growing family
Uncle on the easy chair watching TV*

*Chatting and laughing, we all had a ball
Your contagious laughter spread through us all
You always made time for everyone dear
Family and friends, far away and near
As you watched us grow in our own families
A loving mother and wife, you have achieved*

*We will miss you deeply as the days go on
In our hearts you will live forever long
Each day and each night our thoughts of you
As you soar the skies into the blue
Over the horizon may you rest peacefully
Until we meet again, mon ami*

“ *Laveda had a wonderful open heart, when you were her friend she was so generous and kind. We met many years ago in Florida and our friendship continued even after I returned home to Canada. We kept in touch by phone and email and shared our thoughts and kept up to date on our family events. She was so grateful for her loving family who were so supportive and caring, especially during this last year. I am so thankful that Laveda was part of my life and I know her memory will live on in the hearts of her family and her many friends. Goodbye Dear Friend, Marie & John Linthwaite*

“ *Pam, Dale and Family;*

Tom and I learned today about Laveda's passing. The world is missing a wonderful person, she was kind, considerate, helpful, a great cook and hostess. But most of all she was a loving, fun person to be with. (Haircut days were always fun!) She made a big change in the Ferren family and will be missed dearly. I was blessed to have her as a sister-in-law and a friend. My children and grandchildren were also blessed to have known her. She was a mentor to my granddaughters as well as their "Aunt Laveda". Our love and prayers go out to you at this difficult time.

“ Pam & Dale,

As you know, Mom became my surrogate Mom during college, when Dale and I lived together, and forever after. I felt her enormous amount of Love that she had for everyone, was welcomed in her home and cherished the opportunities when we were together through the years, especially after my Mother passed away. I've always admired her "spunk" and no nonsense approach to life. She could do anything she put her mind to. After your Dad died, I was amazed at how she picked herself up, became a flight attendant and changed her whole life from where she'd been. Then finding Ray and all the travels and fun they had together was quite evident. I know what this feels like but promise that the huge hole in the center of your chest that you're feeling becomes easier to live with in time. You will find yourselves thinking and saying the things she would say and that's your reminder of her being with you forever. Find strength in your families, take care of yourselves and you'll get through this time. We've all been blessed to have had her in our lives.
