“ *Roger & Family, we are so sorry to hear of Linda's passing. It was quite a shock. We knew she was ill but not that her illness had progressed this far. I never will forget the time she had a hog get loose & came to get me to help her catch it. We had quite a time but we finally caught it & we struggled to get it in the back of your pick up truck & took it to the vet in Warrenton. Linda & I use to have a lot of laughs together. I will always remember her with fond memories. May God bless you all at this time of grief. Richard & Mary Jane Collins*

“ I'm so sorry to hear of Linda's passing. What an amazing woman she is. I refer to her in the present as I believe that what she left with everyone who knows and loves her is much more powerful than death itself. I worked with Linda at Winfield Middle School for many years. She worked hard at everything she did and was a champion for all kids. She was positive, she was persistent and she was always passionate. What an amazing legacy to leave to her loved ones! My prayers are with her family in this time of grief. Thank you for sharing your wife, your mamma and your grandma with all of us. I for one, will be eternally grateful to have known her.
