“ I knew Lisa Marie Chapman and we used play together when were kids and my mother Paly and Lisa mom Pat were friends.Pat and Jim was a large family. They had 8 Children , Vincent,Karen,Johnny, Sheila, Wendy,Tony ,LISA MARIE CHAPMAN and last one Michael.And we live Hazelcrest,Hazelwood MO it was a large Apartments and town homes very big place.It had pools and Different playgrounds. My mom Paly was sick and she couldn't get better and she had to go to the hospital and Pat and Jim to me into their home so i could Continue going to Jr high school. And it was very sweet of them to do that .And we all thought that my mother would be 2=3 weeks in hospital and she come home.It Didn'? T work out like that because it came up that my mother had lung cancer, And my mother had to do chemotherapy ..An that took some time to do that in hospital and she Became very weak. after it.And Pat and Jim allow me to stay with them and their large family,it was a very busy household. Pat and Jim were very kind and they would give their shirt off their back if needed to be,and they help many people.I love being around them ,I was only child of my mother just the two of us.And i was 12 years old and I and i didn't realize how sick my mothers was until later on.Pat and Jim did a big blessing of taking me into their home during that time frame. And it was from Easter time to the end of school.Thats a long timeframe.!And it help softer the blow that my mother was very sick and she wouldn't get better.I think i followed lisa around to much and she was very kind about it.And Lisa was never mean to me.Lisa was a very kind soul! And her whole family were the kind á Gentle souls! Eventually my mother came home from the hospital. Yet she didn't get any better and her family was in Iceland and It was decided to take us back to iceland and her family would help us,she had two brothers and two sister. And they tryed their best,they came and got us to take us back to Iceland. It was very hard trip for my mother .we left st louis MO on August 13 1982 and my mother passed away on November 3 1982.I had just turn 13y on August 6 1982. When I was there i didn't understand or talk Icelandic. It was too long that i was away from Iceland and had Forgotten Icelandic and had to relearn it and it was very rough time.I Thought about the

chapman family many times .and I realized too late to get their address ,and their phone number. It was very expensive trying to call from iceland to the united states and was not given many times to call the USA. And I was shuffled between my mother's sister and her baby brother And they were trying to take care of me.And things got lost and i lost Contact with people in St.Louis Missouri.And if it was possible to come back to st louis MO when i got older.I Finally came back in August 25 1995 and i was 25y old and I had Icelandic family that stay with yet they had moved Atlanta , Georgia. And I had finally located my father and he still lived st louis MO. AND i had to buy a car to make the trip back to st louis MO. And it was two things meet my father and located Lisa Chapman and Pat Chapman and the whole Chapman family.And was hoping that the Chapman family still lived at their townhome.And i think it was Wedny that live with their family and got in contact with Lisa Chapman and finally met up.I was so Surprise that she also had a daughter and think that she was married to Martino (Mart) A Garamello. It was so great to finally meet up and Lisa was doing so great!!! And it was so good to see her.it was such a great trip.yet i had to go back to Alt georgia.And kinda got too buzy about getting me Established.And we lost contact with each other.I was in major car Accident soon after i got back from st louis ,and was hurt in that Accident and had to get better from it.I guess our lives just got so busy.Lisa had two kids,a daughter and a son and I also had kids later and same with a daughter and a son.And i try to find Lisa on Facebook with family and her brothers and sisters and no luck.i didn't remember her marriage name of Garamella.And All of a sudden and i finally fould Lisa again and wasnt Expecting to find her obituary .That was such a heartbroken !!!
