“ Your families are in our prayers. Mabel was the salt of the earth. Never met a stranger. I met Mabel at Jeanies Hair shop. She was a light that brighten the room. If you needed a cake she was on the job.
My husband has memories of your family and they are good memories, as he has shared over the years.

“ *Jean Ann, my sympathy to you on the loss of your Mom. I remember that awful time when I lost my Mom and here came Mabel to the door with bread and soup. In the card she gave me she wrote about losing her own mom and that she still missed her. It meant so much to me. She understood and had a caring heart. I will remember her smile and laugh. You have my thoughts and prayers. God put His loving arms around you and comfort you as only He can. Donna Francis*
