“ *I cannot say enough good things about Marie. She was an exceptional woman, wife, mother, sister and sister-in-law. I always felt lucky to be in a family like Marie's loving family. So lucky to have her brother as my husband. I truly will miss you Marie, even though we were miles apart, you were always close to my heart. Heaven has gained another Elkin Angel named Marie Butler. Love to you, your sister-in-law, Carolyn*

“ *As a young nurse, Marie was my mentor. When my night shift was ending and her day shift beginning, I would bombard her with questions and seek her reassurance as she was coming on for her day shift. She taught me what the nursing classroom couldn't. I always told her I wanted to be her when I grew up. She always had a kind, caring disposition that could calm any storm. I am forever grateful for the lessons she taught, and thankful to have someone like her to shadow. Heaven gained a great soul.*
