“ *I have so many wonderful memories of my Mom. She taught me to learn to love and forgive, these are traits that I will pass on in her remembrance. I miss this woman more than words can express. I hope to wake up one day and realize it was a dream, a very bad dream.*

“ *Dear All: I am shocked and horrified to hear about your mom's passing. I can't even imagine how lost you are without her constant guidance and love for all of you. We will forever be grateful to and in awe of her strength and will always hold you and her in our hearts. Thinking of you now and always. Carole*
