“ When I was just a baby I knew Matt as the candy man whenever we were together he would feed me candy to make me happy. As Matt grew from a boy to a man it seemed to be his truth to feed his people to fill them with joy. I don't know I anyone can count the number of people matt feed in life and filled with joy. May God please fill matt with the joy he filled others with and the peace he deserves!

“ Matt was our neighbor behind us, we really thought alot of his family, we had fires in the yard, fun fireworks, blessed with good times. Matt made the best smoked wings ever! The neatest thing he and Chloe did one time was fill our pool with little yellow rubber ducks, it was a nice surprise coming home and seeing about a hundred little ducks moving in the pool, the grandkids and I loved it. We will miss him so much. The Hampton family and grandkids❤️

“*Connie, Brenda and I became friends when Matt was almost 2 years of age. I had the pleasure of watching him and his baby sister Dayna grow up, attend Kindergarten through High School, get married and have children of their own. Matt could be known to be a little "mischievous" at times during his early years! I am so proud of the accomplished man he became. T. J. & Chloe, he loved you both so much! Please know we share in your loss. To the entire family, your are in our thoughts and prayers. We love you, Nancy & Dave Bush*
