“ We were so saddened to hear of Mike's passing. Jo and family, know that you are in our prayers and hearts. We lived on Adelhardt Road in Troy almost 19 years and during that time we became "neighbor friends" to the Comer's. Daryl and Mike became buddies over the years and were seen frequently in our driveway sharing laughs and stories. Daryl tried many years to get a rake or shovel to fit Mike's hands so he could help with our yardwork but to no avail. They continued to share that joke even after we moved to Columbia with Daryl offering Mike to come here and see if the shovel and rake would fit his hands or not in a different yard. All kidding aside there were no nicer people than Mike and Jo. We missed them when we moved but kept that connection knowing they were there anytime we needed them. Jo, we know with Mike's passing things are sadly not the same for you and your family now. May it comfort you to know Mike brought a brightness to our lives as well. He will be missed and remembered and you will remain close in our thoughts, friend. Anytime, we are here for you if you need us. Love, Connie & Daryl McCollum, Columbia, MO
