January 31, 1967 - May 15, 2020

Michael Duane Moody, 53, of Winfield, Missouri, passed away on Friday, May 15, 2020 at SSM Health DePaul Hospital in St. Louis, Missouri. He was born on January 31, 1967 in Austin, Texas and was the son of Johnnie and Margaret (Parker) Moody. Michael was united in marriage to Melissa Ewald on December 21, 2001 in Las Vegas, Nevada.

Michael graduated from Wayne High School in Huber Heights, Ohio in 1985 and continued his education earning his master's degree in Business Administration from Missouri Baptist. He served his country in the United States Army from 1986 to 1989, until he was honorably discharged. Michael was a computer teacher for Missouri Baptist for many years. Since 2004, Michael and Melissa owned and operated Mike's Tech Spot with two locations in Troy and Bowling Green. He was never at idle, if he wasn't working on a computer, he was behind a camera. Michael had a true love for the ocean and had future plans for purchasing a sailboat and traveling. He was always watching YouTube videos on photography and sailboats. Michael was so smart, kind, never angry, had the most positive attitude and he was easy to be around.

He is survived by his loving wife, Melissa Moody of Winfield, MO; his father, Johnnie Moody of Winfield, MO; one sister, Tina Orr of Jefferson City, MO;

mother-in-law and father-in-law: Les and Mary Sue Thompson of Troy, MO; brothers-in-law and sisters-in-law: Audry Thompson (James Eldreth) of State College, PA, John Thompson (Grace) of Wentzville, MO and Phil Thompson (Ashley) of Virginia Beach, VA; nieces and nephews: Chelsea Dyson (Stephen), Devon Orr, William and Cameron Thompson, Landon Rodriguez and Alexander Thompson; great-niece and great-nephew: Gatlin and Rayleigh; and many friends. He was preceded in death by his mother, Margaret Moody.

Services will be held at a later date. Expressions of sympathy may be made to Buddy Bags in care of Kemper-Millard-Keim Family Funeral Chapel P.O. Box 222 Troy, MO 63379.

*“ I am just learning of Mike's passing, my sincere condolences. I have many fond memories of Mike when we worked at Inter-tel together. He saved me on many service tickets we were working together. We spent many nights together working on cut-overs. I always remember when he would have his parties at his house in Soulard during Mardi Gras. I should have a few photos of Mike around, I will have to search for them.*

“ For several years we have gone to Mike for so many computer ills. We just heard of his death today. In addition to his miraculous tech skills, his kindness was unique to him and to his wife also. Our love to his wife who we did not know as well. The world has lost a much needed and heeded human being.

“ Melissa, we are shocked and are praying God gives you peace, guidance, and strength for everything you have to endure. Mike was an expert in his field and alleviated all our frustrations when we came in. He never put on any airs and always made us feel comfortable and at ease. He was known as the computer "doctor". You were a great pair! Mike had a big heart--very caring and pleasant person. We like to think of him as an angel in disguise. It is our loss but Heaven's gain. He left quite a legacy and will be long remembered. God bless you, Melissa.

“Uncle Mike,” as he was known in my family although no relation, was such a kind and generous person. We’d visit in the summer and my kids loved hanging out with him. This picture is almost a decade old - Uncle Mike protecting tiny Vivian from the crazy goats at Grant’s farm. He had such a calm personality and put those around him at ease. I have always admired his and Melissa’s relationship for the humor and partnership they shared. He was an amazing person and our hearts are broken.

“ Such a great guy whose enthusiasm was contagious. Mike had a way of making everything exciting (I refer you to his Facebook page of the time lapse video of his commute to work lol) and he just loved life. He always wore that camera around his neck and he had a great eye for capturing moments (again look at his Facebook) and showing us how he saw life. To say that he will be missed is an understatement. You left us far too soon my friend 💔

“ *Mike was one the most Kind patient people I have ever met .,  
I met him and Melissa both at the Tech Spot.  
He was always so very helpful with my tech issues. Melissa is as well.  
He even went out of his way one time when the store was closed after I picked up my laptop and called me to let me know he was still there and I could come pick up my charger that was left behind.  
Mike will be truly missed.
