These are just a few pictures of my Mom (Mildred Jeanine Lindsay) I just found her obituary page, I just wanted to add some photos of my Mom and family, there are a couple of her brothers that passed before she did and I think she would have loved to had seen the picture.. my cousin Julie's picture is the very bottom 3rd from the last.. she was one of moms closer nieces, she passed maybe a year before Mom and she was you but she was a beautiful soul.. I miss my Mom every day and think of her every day I feel utterly alone now she is gone.. I have none to just talk to about anything.. Mom was more than just my mom she was my best friend.. we didn't always get along and would go long periods of time with out contact, but I think we are so much alike we would lock horns so to speak.. I love my Mom and cry like a baby thinking of her and talking about her... It's just so hard..I really don't know how much longer I will last without mom. I have none anymore.. knowing I had to go through the life I lived to become the person that I am today, I know she was the Best Mother and I can't wait to join her and the rest of my family in Paradise with our Creator (God & our Lord Christ)
