“ *I'm so sorry for you loss. I worked with Tasha back in 1989 at Wentzville hospital, I was a new nurse and she was the unit sec. Imagine my surprise when 20 years later I came to work at Troy hospital and Tasha was here! It was good to see her. She always had a smiling face. I was not aware she was sick! Again, so sorry. “ Thirty-two years ago when, as a teen, I was taken in by Merry & Jerry Bush I was also blessed to inherit Tasha (Merry's best friend) as part of my new family. She was a huge personality--she and Merry together back then could embarrass teen me to the point that I literally crawled under a table @ a restaurant once. I loved this woman and with her sudden passing I am so sad. I hope Tasha is at peace. Sad I could not say my goodbyes in Missouri, but Tasha will always be in my heart and is a permanent part of some of my happiest memories. Rest in peace, my friend.

*My sincere and profound sympathies to Tasha's beloved daughters: Shelly, Cindy, and Emily. And to lights of her life, her grandchildren. And to her friends who will miss her booming laugh and wicked sense of humor. Peace to all. --Lara Robbins*

“ *Tasha was a good person. Everybody loved her. Everyday if she didn't see me for a few hours she would call me and say Baby cakes are u ok haven't seen u or heard from u. The patients loved her. I will miss her lot she mad us laugh and she sang to us. She loved talking about her grandkids and our grand kids.*
