“ I would like to extend my deepest sympathies to the family and friends of the man I know as The Legendary Tron. I was exposed to Tron’s infectious laugh and wonderful personality through his appearances on JimterryTV. There he was treated like everyone else on the show, with playful ribbing and insults, all of which he took as a good sport and always seemed to be enjoying himself. He was a very inspiring man. Rest in peace, Tron.....

“ *The Legendary Tron was one of my favorite guests on Jim Terry TV. As Tron was building his channel there were not many that would go on there with him. The Mr. X was there more than once. Tron deserved that kind of respect because that's the kind of respect he gave to others. Plus he allowed me to post my cash app which is \$MrXTV.*

*I have done some digging and put up a few episodes on JimTerryTV.com on the "Best Of" Channel that feature Tro. That channel has been made free to anyone to view.*

*We are thinking about you and talking about you. Rest easy and least you can say you dated a porn star. -X*

“ I still want to call Nathan a Kid... but time had passed so quickly that he became a man before I knew it. Nathan was the happiest person. He would light up when you would walk in where he was sitting. He enjoyed having conversations with you. My dad, his grand pappy would say the silliest things and would have Nathan just rolling with laughter. It brought such joy to our hearts. Nathan was so intelligent; he did everything he could to be as normal as possible. I was always so wowed by him and his capabilities only his body was handicapped his mind his heart his soul his being was as true as no other person I ever have ever known.  
Nathan your journey on earth may have ended but your legacy will live on.  
Heaven has welcomed a wonderful person into Eternal Glory  
You will be so missed by so many people  
Thank You Nathan for always warming my heart  
I Love you so much Aunt Dianne
