“ *I will never forget how loved you made me and all your grandchildren feel. You were at our games, recitals, school events etc. and you always made us feel so special. I loved playing at your house and have so many great memories there. You were one of the strongest people I know. As I got older and had a kid I learned even more how amazing you were and how patient you had to be to watch all us grandkids at once. Love you and will never forget you and that sass.*
