Marie was a special friend to all of us Missouri Baptist Sisters nursing school class of 1966. She always kept in touch with us and shared so many positive thoughts. She was a Amazing Woman and never let anything keep her down. She went through a lot in life but still did so much for others. I personally will miss her so much and I know she will be missed as well by all of her nursing school Sisters. I am glad that she is at peace now and was at home with her wonderful niece Diana. Much love Marie! Your friend ,Lynn Rogers and family
