

Perry "Nick" Allen

July 25, 1942 - July 13, 2023

Perry "Nick" Allen, 80, of Hawk Point, Missouri, passed away on Thursday, July 13, 2023 at Mercy Hospital in St. Louis, Missouri. He was born on July 25, 1942 in Hawk Point, Missouri and was the son of the late Perry Clifford and Helen Mamie (Gabbard) Allen. Nick was united in marriage to Kathy Seeger on August 9, 1974 at the Silex Presbyterian Church in Silex, Missouri and together they shared six children.

Nick was born and raised in Hawk Point, he graduated in 1960 from Buchanan High. He was always eager to make his own way in life and was never afraid of any business adventures. Nick obtained his auction diploma on March 11, 1966, continuing with the family legacy his two sons: Scott and Kyle Allen obtained their auction diploma and joined, Allen Auction & Real Estate Co. Prior to the family business he was in partnership with Charlie Nordwald for 26 years with Allen Nordwald Auction Company. His voice was known in Lincoln and surrounding counties at various church auctions, county fair youth livestock auctions, truck and tractor pulls and many more events that gave back to his community. Nick dedicated his life to supporting his family and his community. He served on various committees over the years: Lincoln County Fair Board, where he was the 1981 Chairman, Hawk Point Athletic Association, where he served as the President, Lincoln County Democratic Club and the Hawk Point Lions Club. Nick was instrumental in the groundwork

to relocate the Lincoln County Fair to where the fair is currently located and donated countless hours to the youth. He raised cattle and half-linger horses for many years. Nick was an avid hunter, enjoying deer, coon and field trials. He truly loved his family and the time he spent with them. His heart was full when his house was full! Nick's gentle smile and heart of gold will be deeply missed on the auction block.

“ I'll never forget the time when I was helping serve food at the buyers dinner at the Warren County Fair with the FFA Alumni and Nick came through. I greeted him with a "Hi Nick" and he looked up at me with that warm smile and replied...."Excuse me...that's Uncle Nick to you girl." Nick (and Kathy as well) always received many of the "Owenby" family as extended members of their own. I had a deep respect for that, and certainly am very honored to refer to him as "Uncle Nick" through all of eternity.

“ It is with a heavy heart that I send my deepest sympathy during this great time of loss for your family. I have many wonderful memories of Nick as my dad was Tec Parr who we lost recently as well and who I know really loved and respected the friendship that Nick and my dad had together when auctioneering over the years. Nick had a contagious smile, and always greeted me and my family with the greatest and warmest smile each and every time we went to an auction. Nick's friendship was a treasured one shared with my dad, and I know that my dad looked forward to the auctions with him more than almost anything else in his life. He would often tell us that he was looking forward to this sale that was upcoming or this other sale that was upcoming, and he really valued the 2nd family that he developed with the entire Allen family. Our family has been feeling the deep loss of our dad over the last 7 months, and we appreciated the warm support and care of Nick at the funeral to comfort us during our time of loss in losing our dad. I wish I could be there for all of you this week, but my family and I are out of town. I send you my deepest sympathy, and I can honestly say that there is a part of me that can close my eyes and envision the warm embrace that must have happened when Nick entered into heaven and embraced my dad in a warm hug and then they probably started auctioneering things off somewhere in heaven like the best of friends can do up there! I'm comforted in knowing he is not in pain, and at the same time, I'm so so sorry for the loss all of you will endure at this time and in the future.

Sending you all the prayers, strength, and comfort during this difficult time and the coming days and months ahead.

“ I met Nick at the Holiday Inn, Sedalia, Mo. about 1977 I think, when he was selling Yellow Page Telephone Advertising. Several years later he would call me when he had Big truck & trailers in his auctions. We had some good times when he used to bring his pulling pony's to the State Fair and come to my hospitality tent on the Fair Grounds...My condolence's to the family. He will be missed !!!!1
